

SUMMIT

middle and high school

September 24

Drury University

We're taking the Middle School & High School Leadership Summits to new heights! MASN has streamlined these transformative experiences into an action-packed, one-day event. While students dive into tailored curricula at their level, your program will thrive by uniting a diverse array of young minds, fostering inspiration, learning, and invaluable connections.

Get ready to soar – this elevated Summit promises to be better than ever!
