

October 16-17, 2024 . Capitol Plaza . Jefferson City

Afterschool youth grades 7-12

Join youth and adults who are committed to increasing opportunities for youth through afterschool programs. The Missouri Youth Advocacy Summit is sponsored by Missouri AfterSchool Network, in conjunction with your afterschool program. Together, we will learn to influence decision makers and share ideas about how to improve the lives of youth in Missouri.

Art as Advocacy

This year we'll learn from artists how to influence people and bring your community together. Additionally:

- Learn how to influence lawmakers
- Learn how to get involved in your community
- Develop leadership skills
- Tour the Missouri Capitol
- Meet other Missouri youth with similar interests

After the Summit

You will have a chance to join the Voice of the Youth council with other youth and earn a \$50 stipend.
