Become a Certified 21st CCLC Afterschool External Evaluator in Missouri for the 2019-20 Grant Year

The local 21st CCLC External Evaluation plan includes consistent evaluation methods, data collection, and reporting for all 21st CCLC grantees. As part of the process, each grantee selects a certified external evaluator to complete the Guided Reflection process. Grantees contract directly with certified external evaluators. In order to become a certified external evaluator for the 2019-20 grant cycle, new evaluator candidates must attend a required training session and submit an application and supporting documentation (if not previously submitted). Returning evaluators who were certified for the 2018-19 program year may attend an online “refresher” training to become certified for the 2019-20 program year.

Who: Applicants must be based in Missouri, have at least a masters degree, evaluation experience, and familiarity with afterschool/youth development/K-12 education

What: Attend training to become a certified external evaluator and be eligible to consult with 21st CCLC grantees to complete the external evaluation (Guided Reflection) process

When: Thursday, February 27, 9:30 am-3:30 pm (new evaluators)

Tuesday, March 10, 1-3 pm or Friday, March 13, 9-11 am (returning evaluators)

Where: Columbia, MO (RSVP and application required)

All certified evaluators receive the same compensation from 21st CCLC grantees:

- $2200 per grantee, including one site, plus $400 per additional site

Applicants must:

- Submit a completed application, including documentation of highest level of education prior to training (returning evaluators may use previous year’s application)

- Register online at [https://cvent.me/RqrDE3](https://cvent.me/RqrDE3)

For more information, visit [www.moafterschool.org/evaluation](http://www.moafterschool.org/evaluation) or contact Terri Foulkes at foulkest@missouri.edu or 573-884-2936. Please register and submit application materials by 2/21/20 for the February 25th new evaluator training. Specific location details will be sent to registered participants.
